Junior School Council Report 11/12/17

By Konstantinos A

Today the Junior School Council met and we discussed how there could be new lunchtime clubs in 2018. The ideas for the clubs are Lego, drama, science, comic book, art & craft, dance, gardening, gaming, painting, board games, chess, coding and cooking. These ideas will be given to the teachers so they can organise them over the year.

Also the hall and the library will be open every day. There will be a roster to say where and when each grade can go to the spaces and clubs.

Look out for the new lunchtime clubs and rosters in Term 1 2018.
