From the Principal

Dear School Community,

This week has gone smoothly in Mr Kent's absence. There are many staff, parents and volunteers who make IPS run smoothly. So today's theme is 'Behind the Scene' highlighting the contribution and difference staff members and volunteers make towards making Ivanhoe Primary a positive environment and community to learn within.

Janet Waldron

Janet has been busy covering the newly purchased books. She enjoys covering the books brought with the Library Fund donation.

Lisa Cascun

Lisa has been working hard bringing teachers up to date with their anaphylaxis training. This requires an online component as well as a hands on practice session. Teachers are required to update this every year.

Jenny Ross

Jenny has been working tirelessly for the preparation of the Sport Dress-up Day. She is expecting to cook up at least 150 sausages for Friday's lunch. She is also smiling because 350 families have registered for online ordering.

A **big thankyou** to all those parents and guardians who persisted and were patient with the difficulties of registering online.

Leighton Pearce

Mr Pearce has been having a lot of fun organising the music for Sport Dress-up Day. Can you guess his favourite tune!?

Nathan & Chris

Nathan Manoussakis and Chris Keflas are the technicians who work part time. Their smiling faces are a welcome sight around the school. Their expertise ensures our digital learning program is up and running.

Anne Dakin

Anne has been working on the weekly Newsletter and trying to find a funny LOL!

Leo Attilio Di Cori

Leo is here every Thursday attending to minor repairs across the school and garden.

Livingstone St. is now a 40km/hr zone

On behalf of the Mark Kent, Tracey Cox (School President), and the School Council and myself we would like to thank the hard work of the local community. Especially parents of Ivanhoe Primary School who volunteered their time to campaign for a long time for slower speeds and the plaza crossing to be supervised. The 40km/hr zone now extends down to Shaw St to encompass the Child Care Centre and the Donaldson's Creek Bike trail crossing.

Thanks for a great week.

CANTEEN NEWS TERM 3 2016

Ordering Online – A message from the Canteen Committee

Thankyou to all parents who have registered for the online ordering of canteen lunches.

The benefits of having the online ordering system will greatly improve the efficiency of running the canteen.

Canteen Online came about in response to Canteen Committee requirements and Parents requests. The Canteen Committee trialled Canteen Online in 2014 with a group of canteen users.

A research survey was sent out to parents late last year.

Canteen Online was approved by The Finance Committee and School Council.

The Online ordering system has been commissioned because of the following;

- * The lack of volunteers assisting the canteen manager.
- * Increased student population has increased the number of orders.
- * The technology makes the canteen manager's job more efficient.
- * The system is in line with the technology other school canteens are utilising.
- * Easy correlation of orders and preparation of food
- * More time to prepare food
- * Greater Allergy alerts
- * Parent advanced ordering.
- * Over all better Canteen service.

The School acknowledges a small increase in cost to parents however will endeavour to keep pricing as low as possible.

The Canteen Committee believes the benefits to families far out ways the cost.

Canteen online takes The Ivanhoe Primary School Canteen into the ICT future.

THORNBURY HIGH SCHOOL GRADE 4 & 5 GIRLS' NIGHT OUT 7PM THURSDAY 8TH SEPTEMBER 2016

Visit us at www.thornburyhs.vic.edu.au to see what a great year we have had so far in 2016.

Venue: The Library, Thornbury High School.

RSVP: Monday 5th September General Office. Ph: 9480 4066.

Email: thornbury.hs@edumail.vic.gov.au

Whilst girls and boys successfully integrate in the quality co-education environment of Thornbury High, we do recognise that they have different learning styles and emotional and curriculum needs. I would like to invite you and your daughter to attend a "Girls' Night Out". The evening is an opportunity to hear first hand from a panel of current Year 7 and Senior Girls, about their experiences at Thornbury High. Your daughter will be invited to participate in a variety of activities which showcase some of our innovative and exciting curriculum options. What better way to make a decision about your daughter's secondary education than by meeting and chatting with girls who experience it every day? We look forward to welcoming you and your daughter to this fun and informative evening. Kind Regards, Peter Egeberg, Principal.

Please enter the school via Matisi Street (which is located at the back of the school).

FATHER'S DAY BREAKFAST

BPAY ADVICE

Parents are asked to advise the office when paying for school activities by BPay with a quick email to ivanhoe.ps@edumail.vic.gov.au. This really helps the office staff to allocate the funds to the correct charges.

REMAINING CURRICULUM DAYS IN 2016

Monday 31st October

HAS YOUR CHILD BEEN SUPPLIED WITH CLEAN CLOTHES?

If so, please launder and return to the school office as soon as possible. Clean clothing is in demand in this wet, muddy weather.

VISITORS TO THE SCHOOL

All visitors, including parents, must report to the school office to sign in. Parents, please do not go directly to your child's classroom.

SUPERVISION OF CHILDREN BEFORE SCHOOL

Increasingly, more children are being dropped off at school well before 8.45am—in some cases at 8am.

If your child is not booked into the Before School Care program you must not leave your child unattended in the school grounds. Parents are responsible for making suitable arrangements for their children prior to the yard duty teachers arriving at 8.45am.

YARD SUPERVISION

Supervision of students before and after school is provided at the following times: **8.45 am to 9.00 am** and **3.30 pm to 3.45 pm**.

Outside these times supervision and / or collection of students is the responsibility of parents / guardians. For the safety of students parent support for these times is sought.

Parents who need to drop their child at school before 8.45 am should consider using the Before School Care program.

PRE-LOVED UNIFORMS WANTED

Have your children outgrown their uniforms? Pre-loved items, including jackets, track pants, dresses, polo shirts, school bags, hats would be much appreciated to restock our Second Hand Uniform cupboard. Donations can be left at the office. Thank you!
