### From the Principal

Dear Ivanhoe Primary School Community,

#### Digital learning Technologies at IPS

"Digital Learning at IPS will be irresistibly engaging for students and teachers across all learning areas and domains. Our students will become innovative and confident users of digital technologies, using technology to communicate, collaborate, curate and create, while fostering higher order thinking skills and real-life problem solving." (draft)

We are committed to providing every student with opportunities to be their best. Collaboration, communication and problem solving skills wrapped up in the values of confidence, independence, persistence, resilience and respectful behaviours is a recipe for success. Work with us to support our learners / your child(ren) in becoming curious, reflective and critical in their thinking as global citizens.

Over the "meet the teacher" week I've been able to informally chat with many parents who otherwise find it difficult to come to school due to work schedules etc and it has been refreshing to hear what they think of our classroom and specialist programs. Many people are blissfully unaware of the supports that are in place to monitor and support the wellbeing of our students and their families.

Camps and other activities deemed essential to the program can cause financial stress so it is important to remember that the school can set up a payment plan in order to help families. Information is confidential and COMPASS is used to manage invoicing. If this is an issue for you please come and see me or any of the office staff.

#### Working Bee Wonders

Last Sunday was the Foundation parents (and childrens) Working Bee. Trees were trimmed, lawns were mowed, garden beds weeded, drains were cleared, furniture was moved, rubbish was collected and a skip was filled. Many hands make light work and our school great for all the students. targets On the next page are the Working bee dates for the year.

Come to as many as you like but put yours in your diary please.

## LOST PROPERTY

Parents are urged to check the lost property area, near the office, as often as possible.

Any unnamed, non school items will be sent to charity.

Unnamed school clothing will be recycled through the Second Uniform Shop.

If you can't make it consider donating \$20 to the Facilities fund through the School Office.

Every little bit counts and goes to improving the experience the students have at school.

But of course we would rather see you there!

## 2017 District Swimming Carnival

The weather was sensational and IPS secured a spot under the trees out of the sun. Plenty of parent supporters were in attendance and the carnival was ably managed by our very own Year 6 teacher Stotty with the assistance of our School Council Vice President Lisa Dal Pos. Keep reading for more details about how our students went..

## Junior School Council

Student Voice is an integral part of the fabric of our community.

The JSC met on Monday with the Principal and Assistant Principal and decided on holding a gold coin out of school uniform day on the 23<sup>rd</sup> of March as their major Semester One fundraiser to support "Kids off the Kerb". You may have noticed their Ivanhoe Café called "Our Place" just on the other side of Bryant Reserve which provides opportunities for young people to work and engage with the community.

*"Our Place is a community café and space run by Kids Off The Kerb, a not-for-profit social enterprise. Our Place is supported by both the volunteers who believe in a better future for young people and the community who contribute to this cause. The aim at Our Place is to grow a thriving community hub and social enterprise incubator, with space available to other community groups to collaborate on projects and share ideas and experiences. We value your contribution. Every time you buy a coffee or a tea or have a meal at Our Place, you are creating real opportunities for our participants"*

After speaking with their CEO they have offered to let us hold a JSC meeting on their premises as well as to send an engaging speaker to address one of our assemblies.

One of our key implementation strategies in our draft Strategic Plan is to "Empower students through approaches that provide them with greater voice in decisions that affect their school experience"

## Lunchtime Club

Ivanhoe Primary School's Lunchtime Club operates every Thursday during lunchtime in the after school care building and provides an opportunity for one year level each week to participate in either a craft, science or cooking activity guided and supervised by Sarah Emerson (qualified teacher and currently an Education Support Worker at IPS, as well as an assistant coordinator for the IPS OSHC program), Soula Zini and other members of the PFA and school community.

## Curriculum Day

Last Curriculum Day we did some work around learning intentions and success criteria and focused on the importance of meaningful feedback. This time we're building on that as we look in depth at curiosity and powerful learning and work towards the development of a whole school instructional model for teaching and learning. We have invited Heidelberg PS to join us as part of our commitment to building communities of practice and enquiry.  
(An Education State Initiative)

## Learning Intentions

The learning intention emphasises what the students **will learn**, rather than what they will do. Our teachers share the learning intention with students, either orally or in writing. Sometimes the learning intention is written on the board and shared with students at the beginning of a lesson or unit. In our classrooms and learning spaces we are endeavouring to make the Learning Intention explicit to students.

## School Photos 14th March

Put it in your diary and remember the day before is a public holiday so although students will be reminded on the Friday human nature dictates many will forget over the weekend hence the diary suggestion to busy families.

## 2017 IPS School Fair – November 18th – **SAVE THE DATE**

Government primary schools rely heavily on local fundraising to improve our facilities and enrich the educational outcomes for students. Every 2 years we run this major social and fundraising event in our school grounds and this year it will be on Saturday Nov 18th.

The Twilight Fair contributes much needed financial support to the school, enabling us to fund projects which would simply not otherwise be possible.

Here is an opportunity to contribute creative ideas and talents to a much loved IPS Event. It doesn't matter what your skillset is (or isn't) your enthusiasm and a positive mindset will provide the energy and carry us over the line.

**Please join us on the 15<sup>th</sup> March at 7.30pm.**

We need your help. A Fair Committee meeting will be held in the MULTI PURPOSE ROOM / INNOVATION CENTRE on **WEDNESDAY 15TH MARCH at 7.30pm** to establish the Fair Committee. All positions are vacant. The more hands the lighter the work and the more successful the event.

### **Road safety – Pick Up and drop off**

As you may be aware one of our students is currently recuperating at home after being struck by a car in Livingston Street. This highlights the very real dangers present in our congested streets. Please be vigilant and careful when picking up and dropping off children. Use the designated pickup and drop off zones patiently and considerately. Your kids will thank you. ☺

### **Sunsmart**

Please remember: all students must wear a wide brimmed hat in Term 1.

The **'No Hat No Play'** rule applies this term. Please ensure your child not only has the required hat each day but their name is written clearly on the hat. **Baseball type caps are not acceptable.** Your assistance in ensuring your child has the correct type of hat will be appreciated.

### **CHILD SAFETY: Protecting children from abuse is our responsibility.**

*Ivanhoe Primary is committed to safety and wellbeing of all children and young people. This will be the primary focus of our care and decision-making.*

*Ivanhoe Primary has zero tolerance for child abuse.*

*Ivanhoe Primary is committed to providing a child safe environment where children and young people are safe and feel safe, and their voices are heard about decisions that affect their lives. Particular attention will be paid to the cultural safety of Aboriginal children and children from culturally and/or linguistically diverse backgrounds, as well as the safety of children with a disability.*

*Every person involved in Ivanhoe Primary has a responsibility to understand the important and specific role he/she plays individually and collectively to ensure that the wellbeing and safety of all children and young people is at the forefront of all they do and every decision they make.*

## Ambulance Cover

A trip to the hospital in an ambulance is expensive. Parents are strongly advised to take out ambulance cover for all family members.

## IPS Objectives:

- To provide an educational program that develops students' curiosity and creativity.
- To develop responsible and engaged learners.
- To foster tolerance, respect and acceptance of others.
- To build each student's resilience and self-esteem.
- To provide a curriculum that is rich and relevant and allows all students to succeed.
- To promote a strong, supportive partnership between home and the school and the wider community.
- To have high expectations of ourselves and others.

\* 2016 IPS Vision Statement.

It does not matter much what the school's strategic vision might declare if the culture does not reflect its objectives. Peter Drucker said 'Culture eats strategy for breakfast'.

Welcome to Ivanhoe Primary School.  
Mark Kent  
Principal

## 2017 IBBOTT House Captains

Hi I am Sarah, your 2017 girls Ibbott House Captain.

Here is some information about me. I have been at IPS since Prep and have two older brothers, Charlie and Will who also went to IPS.

I am involved in the choir and have also represented the school in orchestra, athletics and swimming. It has been so much fun. I love to be busy doing sport and dancing. I play in two netball teams and do jazz, tap and contemporary dancing. I am also a member of the Point Lonsdale Surf Life Saving Club and Myrtleford Ski Club at Falls Creek.

I am very excited to have this role and have lots of new ideas to make this year really fun for everyone. These include: Fundraising for charities and to buy extra stuff for school, house music and house lunches.

Please come and see me if you have any ideas that you would like to do. I would like all Ibbott students to join in the fun and have smiles on their faces.

Remember our House Chant:

Ibbott Ibbott, we've got spirit!

Ibbott Ibbott, let me hear it!

GO IBBOTT!

Hello all, I am Joshua D, and I am privileged to be leading Ibbott this year as a House Captain. I am a part of 6HP (Mrs. Sierak's class), and when I'm at school, I enjoy mathematics, science and history. I partake in the grade 6 lunchtime band, thus my favourite specialist is music. At home, I enjoy reading and researching, along with my lessons in piano, and being a member of scouts.

Last year, Ibbott earned the most points, and justly won the house competition. So, this year, we will not ease our efforts, we will strive to win again and to be a co-operative and passionate house. Success depends on two things – effort and mindset. If you want to achieve, you have to try your hardest, you may not be the most talented at a certain skill, but if you put in your full effort, you will achieve great things. Don't compare with others, no matter the outcome, if you keep a good mindset and attitude towards everything you do, you won't ever think negatively about what you're doing. Just keep on telling yourself that you can do it. Concluding, 2016 will be a year for Ibbott try your best and keep a positive attitude. So, collect as many points as you can, and let's win this year; Ibbott, Ibbott, we have spirit, Ibbott, Ibbott, there's no limit!

It has been a fabulous start to the year in music. I am so impressed with the way students have organised themselves around timetables, rehearsals and practice.

### I.P.S. Mini Battle of the Bands

Students in year five bands and the lunch time year six band will be competing in a **Mini Battle of the Bands competition on Thursday 30<sup>th</sup> of March.**

Time: 2.40 – 3.30pm

Venue: School Hall

### Year Five Musical Soiree

**Thursday 30<sup>th</sup> March**

Following Battle of the Bands there will be an evening soiree featuring bands, duets, individual performances and ensembles. The concert will start at 7pm and conclude at 8pm.

Please note in your diary as I need every student to attend and support their class.

Yours in Music  
Marie Morrow

## Learn music here at school

Come and join in the fun of learning to play keyboard, guitar, here at Ivanhoe Primary School.

Creative Music for Schools conducts a music program here at school each week.

Small group classes or one-to-one lessons of up to 30 minutes give children an excellent grounding in music where they will learn to read music and play their chosen instrument.

Tuition costs from \$16.20 per lesson and enrolments are now being accepted for limited places in term 1, 2017.

Interested parents should call Sharon during office hours on 9818 2333 or email [sharon@creativemusic.com.au](mailto:sharon@creativemusic.com.au)

## CLEAN UP AUSTRALIA DAY

**in the Darebin Parklands**

Sunday March 5 (10am—12noon)

Please help clean up the Parklands.

Our Parklands is a precious place. It's a conservation park that's home to echidna, wombats, fish and frogs, bats and birds and even the odd kangaroo from time to time.

It's also our home; whether for a picnic or a ramble, eating mulberries, quiet contemplation or walking the dog.

Floods over the Christmas period have filled our Parklands and the banks of the creek with rubbish, so we invite you and your family to come to Clean Up Australia day on Sunday March 5th.

Wear sun protection and appropriate footwear, but we can supply bags and gloves and you are assured of a friendly welcome!

Meet at the Ranger's Hut (end of Separation Street). See you there!

### ***Win a chance to camp out in the Parklands!***

*Six lucky Junior Rangers and their parents will be randomly drawn from those who help clean up the Parklands. Dinner, campfire, spotlighting and plenty of marshmallows included.*

## Losing Weight is a Science. Keeping it off is a Psychology

Combine the science of eating water rich foods with the psychology of choosing to eat appropriate foods, and you are on the road to maintaining your weight.

For many people, losing weight seems to be a life-long process. Dieting and following new fads on television and in magazines is a lifestyle for some people, rather than a short means-to-an-end. This is because many don't understand the science behind losing weight.

Think of your body as a machine and the process of losing-weight will become a lot easier to understand. It is a game of science and maths. Here's the good news - you naturally burn energy by simply existing. A day spent sat at a desk still requires energy - not as much of course, but you still burn a set amount of calories.

Eating smart, not eating less is the key to losing weight and keeping it off. It's all in your head. Being motivated to stick to a healthy diet is what drives results. Eating low in calorie density foods that are rich in water, such as vegetables and fruit, promotes healthy weight loss and prevents chronic illnesses. It also helps people control their hunger. They're eating more, but actually less in terms of calories. What they learn is to make appropriate food choices for a low in calorie density diet.

So really, by simply knowing and controlling what you put into your mouth is going to make losing weight an achievable task. The science is eating low in calorie density foods. The psychology is choosing to make smart food choices and sticking to it. And that's it! Combine the two rules and you're set for a healthy diet.

Ivanhoe Primary School's Lunchtime Club has been selected to participate in a fundraiser called Local Matters at Grill'd Northland this March!

Local Matters is the Grill'd community donation program that sees each Grill'd restaurant donate \$500 back into the community each month. The donation is split between three local community groups.

Ivanhoe Primary School's Lunchtime Club operates every Thursday during lunchtime in the after school care building and provides an opportunity for one year level each week to participate in either a craft, science or cooking activity guided and supervised by Sarah Emerson (qualified teacher and currently an Education Support Worker at IPS, as well as an assistant coordinator for the IPS OSHC program), Soula Zini and other members of the PFA and school community. The PFA funds The Lunchtime Club.

#### How can you help?

We'd love your support in receiving the highest \$300 donation to purchase resources to enhance the weekly experience for our students. Simply head to Grill'd Northland during March, for a burger and pop your Local Matters token into our jar. The group with the most tokens at the end of the month receives the largest donation. It's a simple (and delicious) way to show your support!

You'll find Ivanhoe Primary School's Lunchtime Club on a jar at Grill'd Northland, Restaurant Precinct, Northland Shopping Centre, Preston.

Thank you for your support!
