From the Principal

Dear Ivanhoe Primary School Community,

Father's Day Breakfast

Thank you PFA and Jenny for putting on an amazing Father's Day Breakfast. Over 200 orders were taken prior to the day and the morning went off like clockwork. A small band of mothers set up the room the afternoon before and worked the bbq from early in the morning producing delicious egg and bacon rolls. The canteen managed the orders including drinks and yogurt. The Coffee Van was a welcome addition in the crisp morning sunshine.

Temporary Fencing

Temporary fencing has been erected around the edge of the synthetic soccer pitch at the Tate Street end of the school grounds in order for our new playground development. If you would like to view the plans, they are up on the notice board near the school office and in the school hall. We are all very much looking forward to this area being completed. The areas will allow for passive play and reflection along with opportunities for classes to use them for outdoor learning activities.

Last weekend was Restroom Reno.

Restroom Renovations
Please respect the Loo

We cannot thank the parents enough for coming along and making this project work. Parents with particular skills in plumbing, carpentry etc lead the charge while everyone, painted, cleaned, attached dispensers, hung doors and generally work really really hard across the weekend.

This weekend the floors will be completed closely followed by new mirrors and murals.

Parent Opinion Survey

Each year IPS (and all government schools) conducts the Parent Opinion Survey of 15 per cent of the school community. In 2017, 200 of our families were randomly selected to participate. The survey closes this Sunday the 3rd. Information from the survey will guide some of our future planning and will be shared at School Council later in Term 4.

Curiosity and Powerful learning

Our work in this area is producing results in every class and learning space with

learning intentions clearly visible and students developing a clearer understanding of what success looks like. The Student Attitudes to School Survey has enabled us to develop a series of questions we plan to use with focus groups at Years Foundation through Year 3. We plan to look specifically at engagement, student voice and agency as a means to evaluate our wellbeing programs and transition practices.

In the spirit of network sharing IPS is hosting Fairfield Primary School for ½ a day next Tuesday as they focus their efforts on the Curiosity and Powerful learning journey.

Communication

Some of School Council's work has been to explore the communication practices between the school and the community. One of our School Councillors and parent has been leading focus groups with community members to identify practices that enable and facilitate effective communication. A small group will be meeting tonight to see where and how we can improve this important function across the school.

OHSC bookings for 2018 open on the 10th of October

To avoid disappointment it is necessary to register and book early due to high demand for places in the program. Please do not assume that if you had a place this year it stands for next year. It does not work like that! Registration night is on the 10th of October THIS YEAR.

Student Stalls at the Fair

A number of Student Stalls (run by students) are available. If you are keen and don't want to miss out on one of these limited opportunities you'll need to contact the school office quickly for a booking form.

Classroom art projects

Many classes are hard at work producing a piece of artwork worthy of any home. They will be auctioned at the School Fair in November. Here is a sneak peak at one of these fabulous pieces created by a Foundation Class.

Road safety

Thank you for your patience when dealing with the traffic around our school. Many more drivers are using the drop off zones and the turning driveway to keep everyone safe.

Star of the Week

Well done to all students who played at the first String Solos Concert on Tuesday evening. Ms Jones commented on how good it was to see a smile on the face of every performer as they bowed to received their applause.

The following 2 String Solo Concerts are on:

Monday 4th and Thursday 7th September in the MPR. All welcome.

Please bring along your own headphones: Years 1,2 & 5

These past few weeks in Music have been very interesting in that we have been incorporating ICT into the program for years **1, 2 and 5**. Students have explored elements of Garage Band – Live Loops, Scratch Junior and a new program shown to us by Georgina Pazzi, our Coding and Robotics consultant, Sketch a Song. As you may realise there is a lot of noise in music classes. In order for children to get the most out of **piano and ICT a good set of headphones will enhance their experience. If you have a spare pair – send them along.**

Advance Australia Fair Band

11th September

Any child who plays an instrument and would like to be part of the two band performances can participate. They just need to get a copy of the music from me (Mrs Morrow) and learn the part.

Strings Solo Nights

Thursday 31st August & Monday 4th September

7pm start in the Multi-purpose Room.

Liz Bonetti and her team will be staging our annual Strings Solo Nights for Violin, Cello and Double Bass. This is for students in years' four to six. Many children participate and are professionally accompanied by Marjorie Kopke. Further details to follow.

Year 3 & 4 Musical

Wednesday 20th September – time to be announced.

Anne Murray has sourced the most entertaining musical for children called 'We Are Monsters'.

Year Three and Four students will be learning all the songs, actions and stage craft throughout this term. It will be enormous fun and we will send out more information towards the end of the term.

Yours in Music,

Marie Morrow
