# IVANHOE P.S. INNOVATION DAY

WEDNESDAY, 13TH SEPTEMBER

9:00AM TO 11:30AM

*Discover the way we use digital technologies to stimulate our students' curiosity and achieve powerful learning."*

Dear school community,

We hope you are able to join us for a journey of discovery. We will kick proceedings off in the Collaboration Space/Multipurpose Room at 9.05am after the bell. It is a regular day and we are opening up the doors to show and share as well as to highlight the school's investment in education. See what the Digital Co-Contribution has made possible and hear about our vision for the future digital learning.

Mark Kent  
Principal

## **Foundation Innovation Morning Summary:**

During Innovation Morning, Foundation students will be participating in a range of activities that incorporate some fundamental principles of Coding. You may observe students ordering events, giving and following directions, using repetition. Pop in to see how these skills are applied across the curriculum, with or without the use of a digital device.

## **Grade 1 & 2 Innovation Morning Summary**

Years 1 and 2 students will be doing a carousel of tasks that use skills taught as part of the Digital Technologies Curriculum. There will be 'plugged' and 'unplugged' activities that students will try their hands at. Come in and see what we are getting up to!

## **Grade 3 & 4 Innovation Morning Summary**

Within our classrooms you will be able to see a range of digital learning technologies (DLT) being used. Every day, students use their class OneNote to communicate, collaborate and create! This Wednesday we will be showing you how we use DLT to benefit our learning. In writing we have been collaboratively creating narratives using the Code.org Coding Course.

We are linking our knowledge of the narrative writing process, use of dialogue and our developing coding skills to create our own animated stories. In our mathematics session we will be learning about technology without the technology... Wondering how we do that? Come in and see!

**CHESS NEWS**

Our wonderful chess team came fourth in today's tournament held at Viewbank Primary School.  
Well done team!

# SAUSAGE SIZZLE THANK YOU

The IPS stall at Northland Bunnings last Sunday was a fabulous fundraiser for our school. A huge thank you to Soula Zini for organising it and to the parents and staff who gave up their time on Father's Day to help out.

We experienced a typical Melbourne Spring day during the BBQ which kept it interesting, wind, cold, rain, a storm and finally sunshine! Everyone did a great job and the school made a profit of over \$1000 which is a fabulous effort considering the weather and a day that would have kept people busy elsewhere. Well done everyone!

## MORNING TEA INVITATION

A grand farewell will be held for our office lady, Anne Dakin, who is retiring after 23 years at IPS. 11.30—12noon Thursday 21 September 2017 A farewell morning tea will be held in the hall foyer.
