From the Principal

Dear Ivanhoe Primary School Community,

Innovation Morning Wrap Up

We believe in learning for life.

Our job is to inspire learners of all ages to develop critical and creative thinking and problem solving skills to adapt to an increasingly global and competitive world.

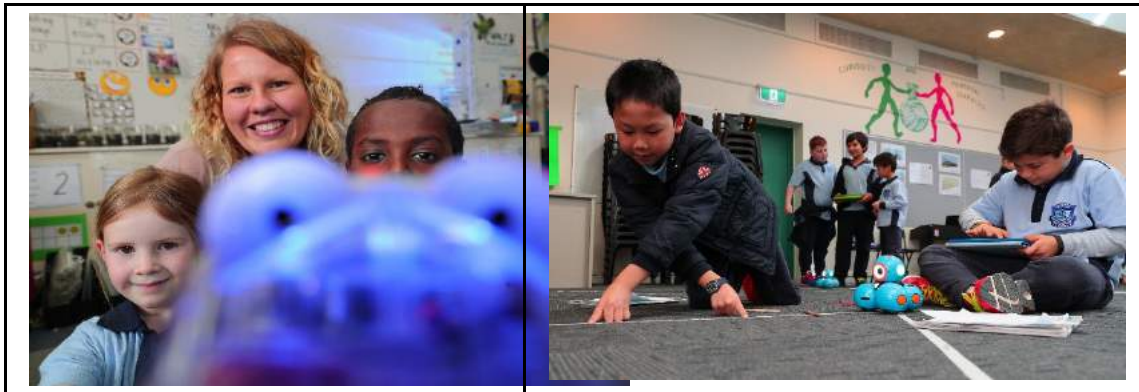

Students need the ability to think critically and to find creative solutions to complicated problems because being able to do this is vitally important to live a full life and for future employment.

Research tells us that being able to think critically and creatively in an authentic context is a key to engagement and learning. And the aim of our school is to meet the learning needs of every student. We have high expectations of ourselves as well as our students.

The idea of developing more personalized learning experiences is so young people can pursue their individual talents and develop their strengths. Students need to engage in learning experiences grounded in a need to work problems and find solutions. This requires educators to cultivate new processes, strategies and protocols for teaching and learning.

One of the most common pieces of rhetoric you hear in the media when talking about education at secondary school is that we are trying to prepare students for jobs that will have disappeared by the time they graduate.

Broadly speaking when you prepare people to take a job you first prescribe what they should know and to be able to do. Therefore, the curriculum becomes - you shall know this - so you can perform that task!

Ideally, we need to move from a paradigm preparing employees for existing jobs to another paradigm that develops learning entrepreneurs who can create jobs for themselves and for others. That is education that creates and adds value.

Moving thinking to a more entrepreneurial model that values curiosity and powerful learning requires building students' capabilities as well as adopting a strength based approach to curriculum development.

Education should allow students to express and develop their own strengths.

In this way the curriculum becomes more personalised and allows students to have more voice in what they do and, to a greater extent, drive what they learn. In other words allowing students to have a lot more agency and ownership over their journey.

We want our students to create and add value to their education by identifying problems worth solving and then collaborating to explore creative solutions.

Over the course of our Innovation Morning I saw Foundation students creating algorithms in the form of treasure maps;
 students coding music;
 Year 6 students physically building a computer;
 Phys Ed students using video to analyse movement;
 Unplugged activities around actions and consequences;
 An Italian game show;
 Digital language and mathematics activities and much more.

We are inviting students to be the innovators and they are stepping up.

Thank you very much from the staff and students for sharing the morning with us.

It is not too late to make your DLT contribution online on COMPASS or at the office.

Values:

Confidence, Independence, Persistence, Resilience, Respect

CYCLISTS

Parents of students who ride a bicycle to school are asked to reinforce the need for their child to walk with their bicycle in Ailsa Grove. This is a safety rule as there are many pedestrians as well as vehicles turning across the driveway at the end of Ailsa Grove.

VOLUNTEERS

A reminder that all parents should check with their classroom teacher to find out if they require a Working With Children Check.

PLAYGROUND PROJECT
CAN YOU GIVE US SOME HELP?
This Saturday 16th September
Between 8.00am – 4.00pm

We didn't get the grant but we are going ahead anyway.
As part of the school playground equipment upgrade we require assistance to prepare the base for the new rubber surfacing under the Grade 2/OHSC playground.
A Bob Cat will help remove old soil and crushed rock will need spreading.
BYO: Gloves.

DRINKS AT THE WEST IVANHOE SPORTING CLUB. Seddon Reserve, end of day

Let Cam Harper or Mark Kent (9499 1880) know if you can assist.

THE HEADS UP ON HEAD WEAR.....BEING SUNSMART

All students must wear a wide brimmed hat or a legionnaire style hat in **term four**. The 'No Hat No Play' rule applies over summer. Please ensure your child not only has the required hat each day but their **name is written** clearly on the hat. Baseball type caps are not acceptable Sunsmart headwear.

L.O.L!

Why did the little vampire have no friends in school?

Because he was a pain in the neck.

Sports Dress Up Day

Tuesday 19th September

Come dressed in your favourite sports/activity gear....whether it's soccer, synchronised swimming, ballet or lacrosse!!!

Strategies for parents as referred to in the DET website:

Chess Tournament Report

On Thursday 7th September, 15 students from Ivanhoe Primary School competed in the final Chess Victoria Zonal tournament for this year. It was a great Event! The tournament was hosted by Viewbank Primary School and 15 schools were represented by a whopping 139 students! The atmosphere was electric and the air bristled with excitement! The clocks were ticking and the pieces were clicking. The kids had so much fun!

After seven exciting rounds, Ivanhoe ended up in equal 4th place. Congratulations to all students who participated. Your excellent efforts and good behaviour were admirable! Special congratulations to the following students who won medals:

Name	Grade	Score out of 7	Certificate	Medals/Trophy
Jude F	2	5	Distinction	Prep-2 Silver
Ranjiv B	3	5	Distinction	Grade 5-6 =Bronze
Manny D	1	4	Credit	Prep - 2 =Bronze
Louis D	2	4	Credit	Prep - 2 =Bronze
Arjun B	1	4	Credit	Prep - 2 =Bronze

What is particularly impressive is the age of the Ivanhoe medal winners – the oldest is in Grade 3 and yet they were pitched against all ages up to Grade 6's! Many an excited child came running up to me to tell me that they had "beaten a Grade 6!" This augurs well for our chances in future years as we are building up a strong base of young players!

State Championship

Congratulations to **Jude F**, **Ranjiv B** and **Oliver D** for qualifying for the State Open Semi-Final at this tournament. We now have 10 Ivanhoe students who have qualified for the Semi-Final (MC1) which will be held on 27th October at Marcellin College, Bulleen.

Go Ivanhoe!

My fellow coaches and I wish your children all the best for future tournaments.

Jim

Ivanhoe Primary is committed to safety and wellbeing of all children and young people. This will be the primary focus of our care and decision-making.

Ivanhoe Primary has zero tolerance for child abuse.

Ivanhoe Primary is committed to providing a child safe environment where children and young people are safe and feel safe, and their voices are heard about decisions that affect their lives. Particular attention will be paid to the cultural safety of Aboriginal children and children from culturally and/or linguistically diverse backgrounds, as well as the safety of children with a disability.

Every person involved in Ivanhoe Primary has a responsibility to understand the important and specific role he/she plays individually and collectively to ensure that the wellbeing and safety of all children and young people is at the forefront of all they do and every decision they make.

CHILD SAFETY: Protecting children from abuse is our responsibility.

Advance Australia Fair Band

Thank you to all the students who performed in the Advance Australia Fair Band last Monday. It's a joy to perform with you! Look forward to a few more performances next term. Remember, anyone can participate in this band. I have plenty of spare copies of the music if you would like to play next term.

Home Among the Gum Trees

Well done to our Foundation students. What a delightful performance they gave last Monday. It was nice to see so many parents in the audience.

Innovation Day

There was a steady stream of parents coming to see year Ones and Twos working in their rotation groups of Piano, Guitar, Note reading, Singing and ICT. I really enjoyed having parents playing guitar with their children in my teaching group. Many thanks to **James R** and **Jack C** for running the ICT class for me. They demonstrated how to create an introduction to a Garage Band composition. It was an exciting day.

Year 3 & 4 Musical

Wednesday 20th September

Grade 5 & 6 Audience: - 12 noon.

Grade 3/4 Dress Rehearsal for 'We Are Monsters' - Friday 15th September 12:00pm

Just a reminder to parents of grade 3/4 students that we are having the full dress rehearsal tomorrow (Friday 15th) in the school hall.

The costume requirements have been kept simple so that, in effect, all that is really needed that you may not have is the right coloured t-shirt. Some children have asked me if their coloured sport's tops with numbers on the backs for team sports are ok. That should be fine unless there is a huge logo on the front. This is a simple school presentation and not one that is done at a proper theatre so I don't want this to be onerous. I just want the general effect of a group colour for each type of character.

I have seen white, red, and yellow t-shirts in Kmart stores for \$3 if you are interested. Capes for the vampires are optional, or you can just drape a dark piece of material over the shoulders if you like. The 'slime' sleeve for the monsters can be made at school with green crepe and hair bands. I have given a sample to one teacher and will follow up with other classes.

Thanks everyone for your efforts amidst so many activities at school. I am really looking forward to seeing the effect the colour has on the wonderful work the kids have done so far.

Let's keep most of our creative energy for our disco outfits tomorrow night!! Also, a reminder that the actual performance for parents of performers, and our grade Prep to 2 audience, is next Wednesday 9:30am in the school hall.

Anne Murray, Grade 3/4 Music teacher.

Yours in Music,

Marie Morrow

IPS STUDENT DISCO

Friday September 15th, 2017

Ivanhoe Primary School Hall

Session 1

Foundation to Grade 3 *

5.45pm—7pm

Session 2

Grade 4 to Grade 6

7.15pm—8.30pm

*** Grade 3 students can choose either session but cannot attend both.**

Entry Permission

Students wishing to attend the school disco must present the completed permission form included with this notice at the hall doorway to gain entry.

- Stiletto type shoes are not permitted on the stadium floor. All students entering are asked to make a gold coin donation.
- Water provided. Children should eat dinner before they attend the disco
- Students may purchase an ice cream or an icy pole from the canteen which will be open 6.15-6.45pm in Session 1 and 7.45-8.15 in Session 2

Donation of trinkets, small gifts:

The PFA is seeking a donation of small gifts, trinkets etc that can be used as disco prizes. Donations can now be forwarded to the office.

End of Disco Session

Each child attending the disco must be picked up from inside the hall at the conclusion of their session. Children will not be permitted to leave the hall without an adult (even to a waiting car) or walk home alone.

Parent Help—Without parent help the disco cannot be held

The school disco is a parent run event. Teachers will not be supervising so parent assistance on the night is needed. Parents, especially dads, are needed for door security. Help is also needed for serving of drinks in the hall foyer.

Please return the tear off “Student Disco Parent Help” section below to the school office before September 15th if you can assist.

This year, all helpers will wear hi-vis vests so that children and parents know who to go to for any help on the night.

Traffic Congestion

Motorists are asked to consider parking in side streets away from the school to relieve traffic congestion in Ailsa Grove. The pedestrian gate at the end of Lowe Street and the Ailsa Grove gate near the hall will be open. The gate in Tate Street will be closed.
