Dear IPS Community,

Twilight School Fair wrap up

The 2017 Twilight School Fair was a tremendous success. Despite the deluge of water from a torrential downpour that seemed like it would never end parents and families crammed a little closer under the marques, packed the hall and continued to enjoy

themselves. Many of the students enjoyed the humid conditions and played out in the rain having lots of fun despite the rides having to be closed for safety reasons. The band(s) played on. When the rain began, reminiscent of Woodstock, the music teachers and helpers turned the concert inward and the planned outside concert was suddenly in the hall.

The previous Friday afternoon saw students helping set up for the big day. Tracey, Cat and their team managed the logistics determined that all furniture be marked so they could be returned to the correct classrooms for the start of the week. This activity continued on in to the night as stalls were erected, and rides were brought in. Early Saturday morning was, once again, a hive of activity to get ready for the 2pm opening. The Twilight Fair was kicked off by the student bands and accompanying dancers who were all simply terrific. A credit to our IPS music program.

All the stalls were successful with the Caravan of Curry and the Haunted House proving highlights. Lots of different types of food were on offer from the local community and the IPS cake stall had sold out completely by the end of the day. Everywhere you looked people were laughing and chatting and enjoying themselves. At the end of the evening some stayed back very late to start putting things to rights. On Sunday a small but dedicated crew returned to clean the oval, the hall, empty the bins and clean the canteen etc.

Monday morning arrived, and the school was back to normal except for moving furniture back to classrooms – thank you to our Year 5 and 6s.

On behalf of the school my heartfelt thanks to Tracey Cox (School Council President), members of School Council along with the PFA, Class Reps, Supporters and everyone else who made the 2017 Twilight School Fair happen.

The Twilight Fair is undoubtedly the biggest of our school fundraisers but at the end of the day its really about the IPS Community having the opportunity to get together and have fun.

When the rain pelted down and it looked like we would be rained out hardly anyone went home! It was clearly more about the community enjoying themselves and sticking it out. For me that's what marked the day as a tremendous success.

Traffic

Please remind your children of the dangers of traffic around the school particular at drop off and pick up. NO riding off bikes in Ailsa Grove or Lowe Street as it is just too congested. Students being picked up must remain inside the school fence as we do not always know who the person is that is picking up your child.

This morning students were seen crossing Livingston Street on the bend directly opposite the smaller Coles carpark by a concerned parent. The parent called out to them to use the crossing but this instruction was not heeded. This is the same place where one of our younger students was hit by a car earlier in the year resulting in broken bones and immobilization for several months. He was lucky. Children are never too old to be cautioned on road safety. Please talk with your child about road safe behaviours.

Sunsmart

Please remember: all students must wear a wide brimmed hat in Term 4. The 'No Hat No Play' rule applies this term. Please ensure your child not only has the required hat each day but their name is written clearly on the hat. Baseball type caps are not acceptable. Your assistance in ensuring your child has the correct type of hat is appreciated.

IPS Vision Statement

I.P.S. Twilight Fair & Music Festival

Many thanks to the bands and artists who performed at the fair. They all performed *pro bono*. The grade five and six bands were fabulous – given that hadn't been able to have a sound check due to wet weather all week.

Sadly, due to the weather the **Parent All Stars Party Band** could not perform. However, we are giving a special performance this **Sunday at 4pm** at the **West Ivanhoe Cricket Club** at the end of Green Street. It should be a lovely community event. Hope to see a good turn-out.

If you get a chance to see any of the acts out in public please support them.

FAIR NEWS

Thank you to everyone who has helped make this year's Twilight Fair the amazing day it was. The day started out spectacularly –the weather was amazing, we had some wonderful help setting up, and we were all set for an incredible day. We did have that incredible day – and even after the storm set in and the oval was flooded – everyone stayed upbeat and hung around! Thank you!

A special thank you needs to go to Tracey Cox. Without Tracey, the 2017 Twilight Fair would never have happened. With me being new to the school, I hadn't had the experience of organising a Fair before. Now that I have been a part of the Fair Committee, and worked alongside Tracey, I am flabbergasted at the amount of work she has had to do – single-handedly.

Tracey has taken it all on. She has had a hand in organising everything – from rides, to sponsors, to dealings with councils, to ensuring all stalls have the right tables and chairs. We, the committee, have helped where we can – with collecting donations, organising stall needs, newsletters, planning maps, etc – but the bulk of it has been due to Tracey.

The Fair is almost completely run by parents. The main assistance from the school being the wonderful staff in administration, finance, music, canteen and other areas. Being involved has really shown me what a great community we have at the school. It is a shame, though, that more families aren't getting involved at a committee level. Hopefully, by the next Fair we can increase the number on the committee, and take the load off just one person.

So – if you see Tracey around school (which you will – as well as the Fair convenor, she is the School Council President, and on many other committees), please be sure to thank her for enabling the 2017 Twilight Fair to happen.
